**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF DELAWARE**

**IN THE MATTER OF THE LEGISLATIVE PETITION FOR
REVIEW AND RECOMMENDATIONS ON DELMARVA POWER
& LIGHT COMPANY UTILITY BILL TRANSPARENCY
(FILED JUNE 20, 2013) PSC DOCKET NO. 13-250**

**PUBLIC NOTICE OF THE PETITION OF STATE REPRESENTATIVE
JOHN KOWALKO, STATE SENATOR DAVE LAWSON, AND STATE
SENATOR GARY SIMPSON SEEKING RELIEF ON BEHALF OF
DELMARVA POWER & LIGHT CUSTOMERS REGARDING UTILITY
BILL TRANSPARENCY**

**TO: ALL CUSTOMERS OF DELMARVA POWER & LIGHT COMPANY AND
OTHER INTERESTED PERSONS:**

On June 20, 2013, Representative John Kowalko, State Senators Dave Lawson and Gary Simpson on behalf of nineteen other members of the Delaware Legislature filed a Petition (the "Petition") requesting the Delaware Public Service Commission (the "Commission") to open a docket to review the appropriate level of detail contained in monthly billing statements prepared by Delmarva Power & Light Company ("Delmarva" or the "Company") and sent to its customers.

The Petition alleges that customers of Delmarva do not know how much they are being charged each month for various legislative mandated initiatives such as the Renewable Energy Portfolio Standards, The Qualified Fuel Cell Provider ("QFCP") program, Low Income Assistance and others.

The General Assembly has mandated certain fees be charged to Delmarva customers, either as a matter of good public policy (Low Income), environmental policy (Renewable Portfolio Standard) or as part of a larger economic policy. However, because these fees are not clearly shown on bills, customers cannot determine from a review of their respective bills, how much of their bill is dedicated to the support of these various General Assembly initiatives.

Although none of these legislative mandates specifically outlined how these fees should be reflected in customers' bills, the Petition suggests there was an expectation that the fees would be clearly shown on individual customer's bills so that customers could understand the financial impact of these various initiatives and the cost of each one as they affect energy prices in the State of Delaware.

At its meeting on July 2, 2013, the Commission ordered that a docket shall be opened to review the appropriate level of detail that customers should expect in their electric bills and Commission Staff will have the responsibility to conduct that review and report back to the Commission on its recommendations regarding utility bill transparency related to Delmarva and its customer billing system.

If you wish to formally participate as a party in this matter, with the right to present evidence and be represented by counsel, you must file with the Commission a written petition asking for leave to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (26 Del. Admin. C. §1001-2.9) **on or before August 9, 2013**. All such petitions should be sent to the Commission, at 861 Silver Lake Boulevard, Cannon Building, Suite 100, Dover, Delaware 19904, with attention to "PSC Docket No. 13-250." Petitions filed after the deadline of August 9, 2013, will not be considered except for good cause shown.
